VISUAL VIAGRA

Dear J18: Thank heaven for naked teens, that's what I like to say! All these young girls poised, trembling at the very brink of womanhood really get the blood pumping to my you know what. And when my you know what has blood pumping to it, it really stands at attention! Whew! Your magazine gives me boners that last for days on end. Visual Viagra, I like to call it! I am so eternally grateful for everything that you do, all the dollies you dress then undress and display is full color spreads (!) for men like myself to devour with our eyes. My girlfriend thanks you too, she doesn't have to work as hard to get me hard. Now when she doesn't feel up for endless foreplay she just tosses me a mag from our stash beneath the bed and tells me to let her know when I'm ready. It works out just great!—Benny in LA

YOU CAN BET ON IT

Dear JUST 18: Are all of the ladies in your magazine really only eighteen years old? Are you sure that some of them aren't, say 20, or perhaps even older? Not that it would make one bit of difference to me, I just think that honesty is the best policy. A few more ears won't deflate my dick one little bit. But if I were trying to date a woman and she lied about her age and I eventually found out about it I think that it would be a deal breaker for me. I don't know why I'm even preoccupied with such a question with so many sweet asses to look at and lovely pink pussyholes. Maybe I'm crazy, I've been called that before.—Jeremy in VT

A HAIRY PROPOSITION

Dear JUST 18: I would like to see naked pictures of girls with really long, really straight hair. I'm not talking about hair that goes past their shoulders or down to their mid back, I'm talking REALLY LONG HAIR. Down to the top of their ass crack at least. I am not too particular about color, although blonde would be nice. Aren't blondes always nice? And it can't be curly or wavy. It's got to be straight, straight, straight. And shiny. It must look clean and freshly brushed. I would like to see a tight bodied young teen with long hair like I described touching herself. Can you please make this happen? Thank you!—Gary in LA

AN ODE TO HOT YOUNG SLUTS

This is what I imagine happens as I look through your magazine and pleasure myself to the photographs in there. Thank you JUST 18. -Larry in WV

Hot, young and slutty
you kneel before me with your mouth wide open
and swallow my manliness whole
wetting it
making it easier
for me to put it into your hole
your precious, precious hole
so moist and beautiful
in between your legs
I push inside of you and hump to my fulfillment
and then I use my mouth
to make you cum
you like it so and beg for more
because you are so slutty.
Young sluts make the world go round.

GETTING INSIDE THEIR HEADS

Dear JUST 18: I wish you could interview the girls in the pictures. I would really like to know what they are thinking and get into their heads. Maybe us readers could write in questions to ask them for example I'd like to know is do you have any pets? And what does it feel like to have your finger inside of your vagina like that? Is it smooth inside or sort of bumpy? Is it soft and cushy or is it more firm feeling? Do you like it when your clit is licked directly or do you prefer the licking to occur nearby instead? Do you like a finger in your asshole while you are being ate out? I like to put a finger in the ass of the girl I am eating. I don't know why but it makes me extra hard. Those are just a few examples of the kinds of questions I would like to ask some of your models given the opportunity. -Mark in CO

THEY'RE JINGLIN', BABY

Dear JUST 18: I think more of the girls in your pictorial sets should be wearing jewelry. I'm talking brightly colored plastic jewelry. In most of your pictures I can imagine what it smells like and feels like to be right there with them. But what is missing for me is the sense of sounds. A few oversized plastic bangles bracelets in their wrists and I'll be able to imagine what it sounds like for them to be jangling and clanking together as they frig themselves off. That would be a might big help. -H in UT

Caprice

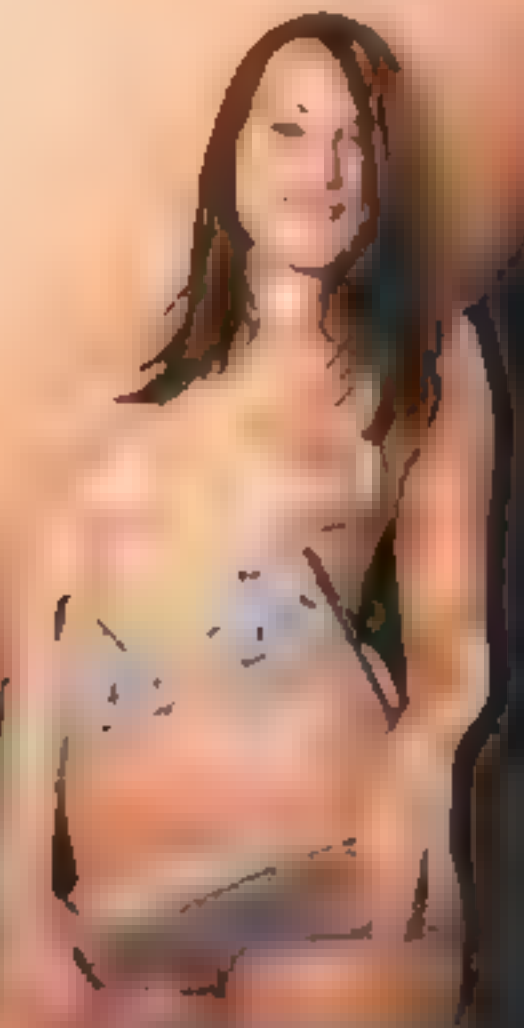

I've already confessed to being the adventurous type, the kind of girl who likes getting naked in all sorts of strange places. A few issues ago I flaunted my pretty privates on a train but because of all the people nearby I had to leave some of my clothes partly way on so that I could make a quick (and clothed!) escape if caught. A hot babe like me with her beave hanging out can sometimes cause trouble. This time, though, I'm taking it ALL off. Every. Last. Stitch. There are plenty of folks wandering around where my car is parked right now, but I want to roll around on my backseat. Any passersby that happen to glance my way will get an eyeful, that's for sure. It makes me so horny thinking that I might give an unsuspecting stranger a boner that I'm gonna have to have myself. Right here, right now.

HORNDOG'S NOTEBOOK

BY MIKE THE PILGRIM

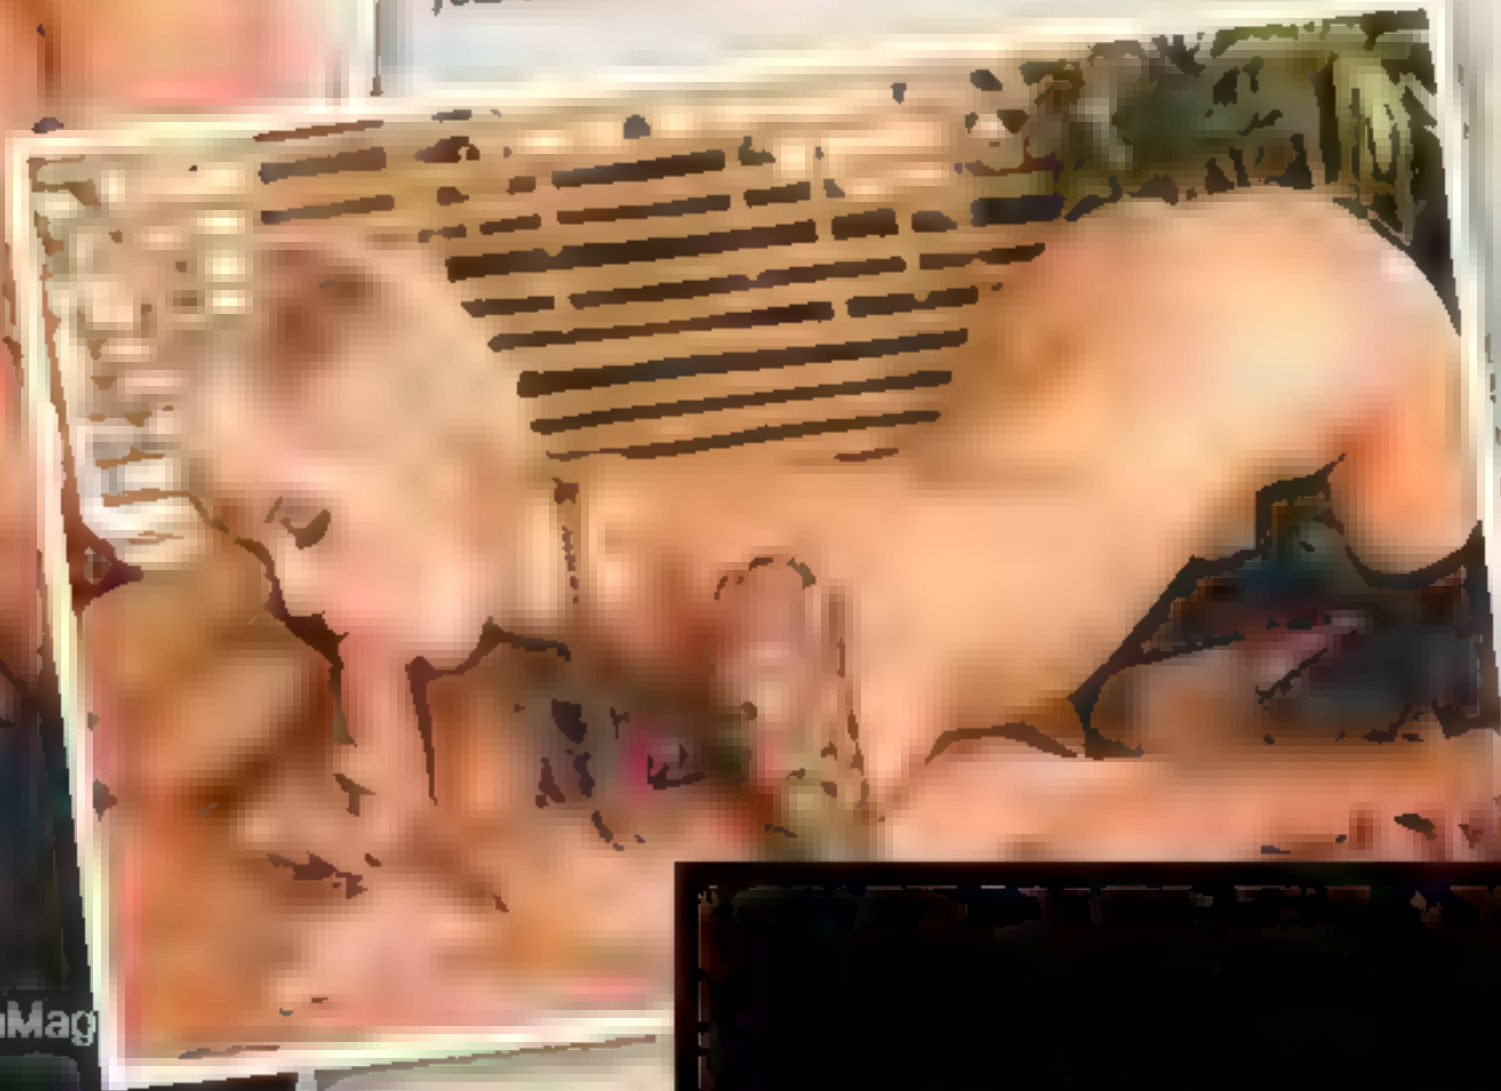

"Hey guys! Read about a weary
seeker who got comfort for his SOUL
by putting his wiener in a HOLE!
Sorry, I just couldn't pass up that
rhyme! But whaddaya expect from
a porn girl like me??"

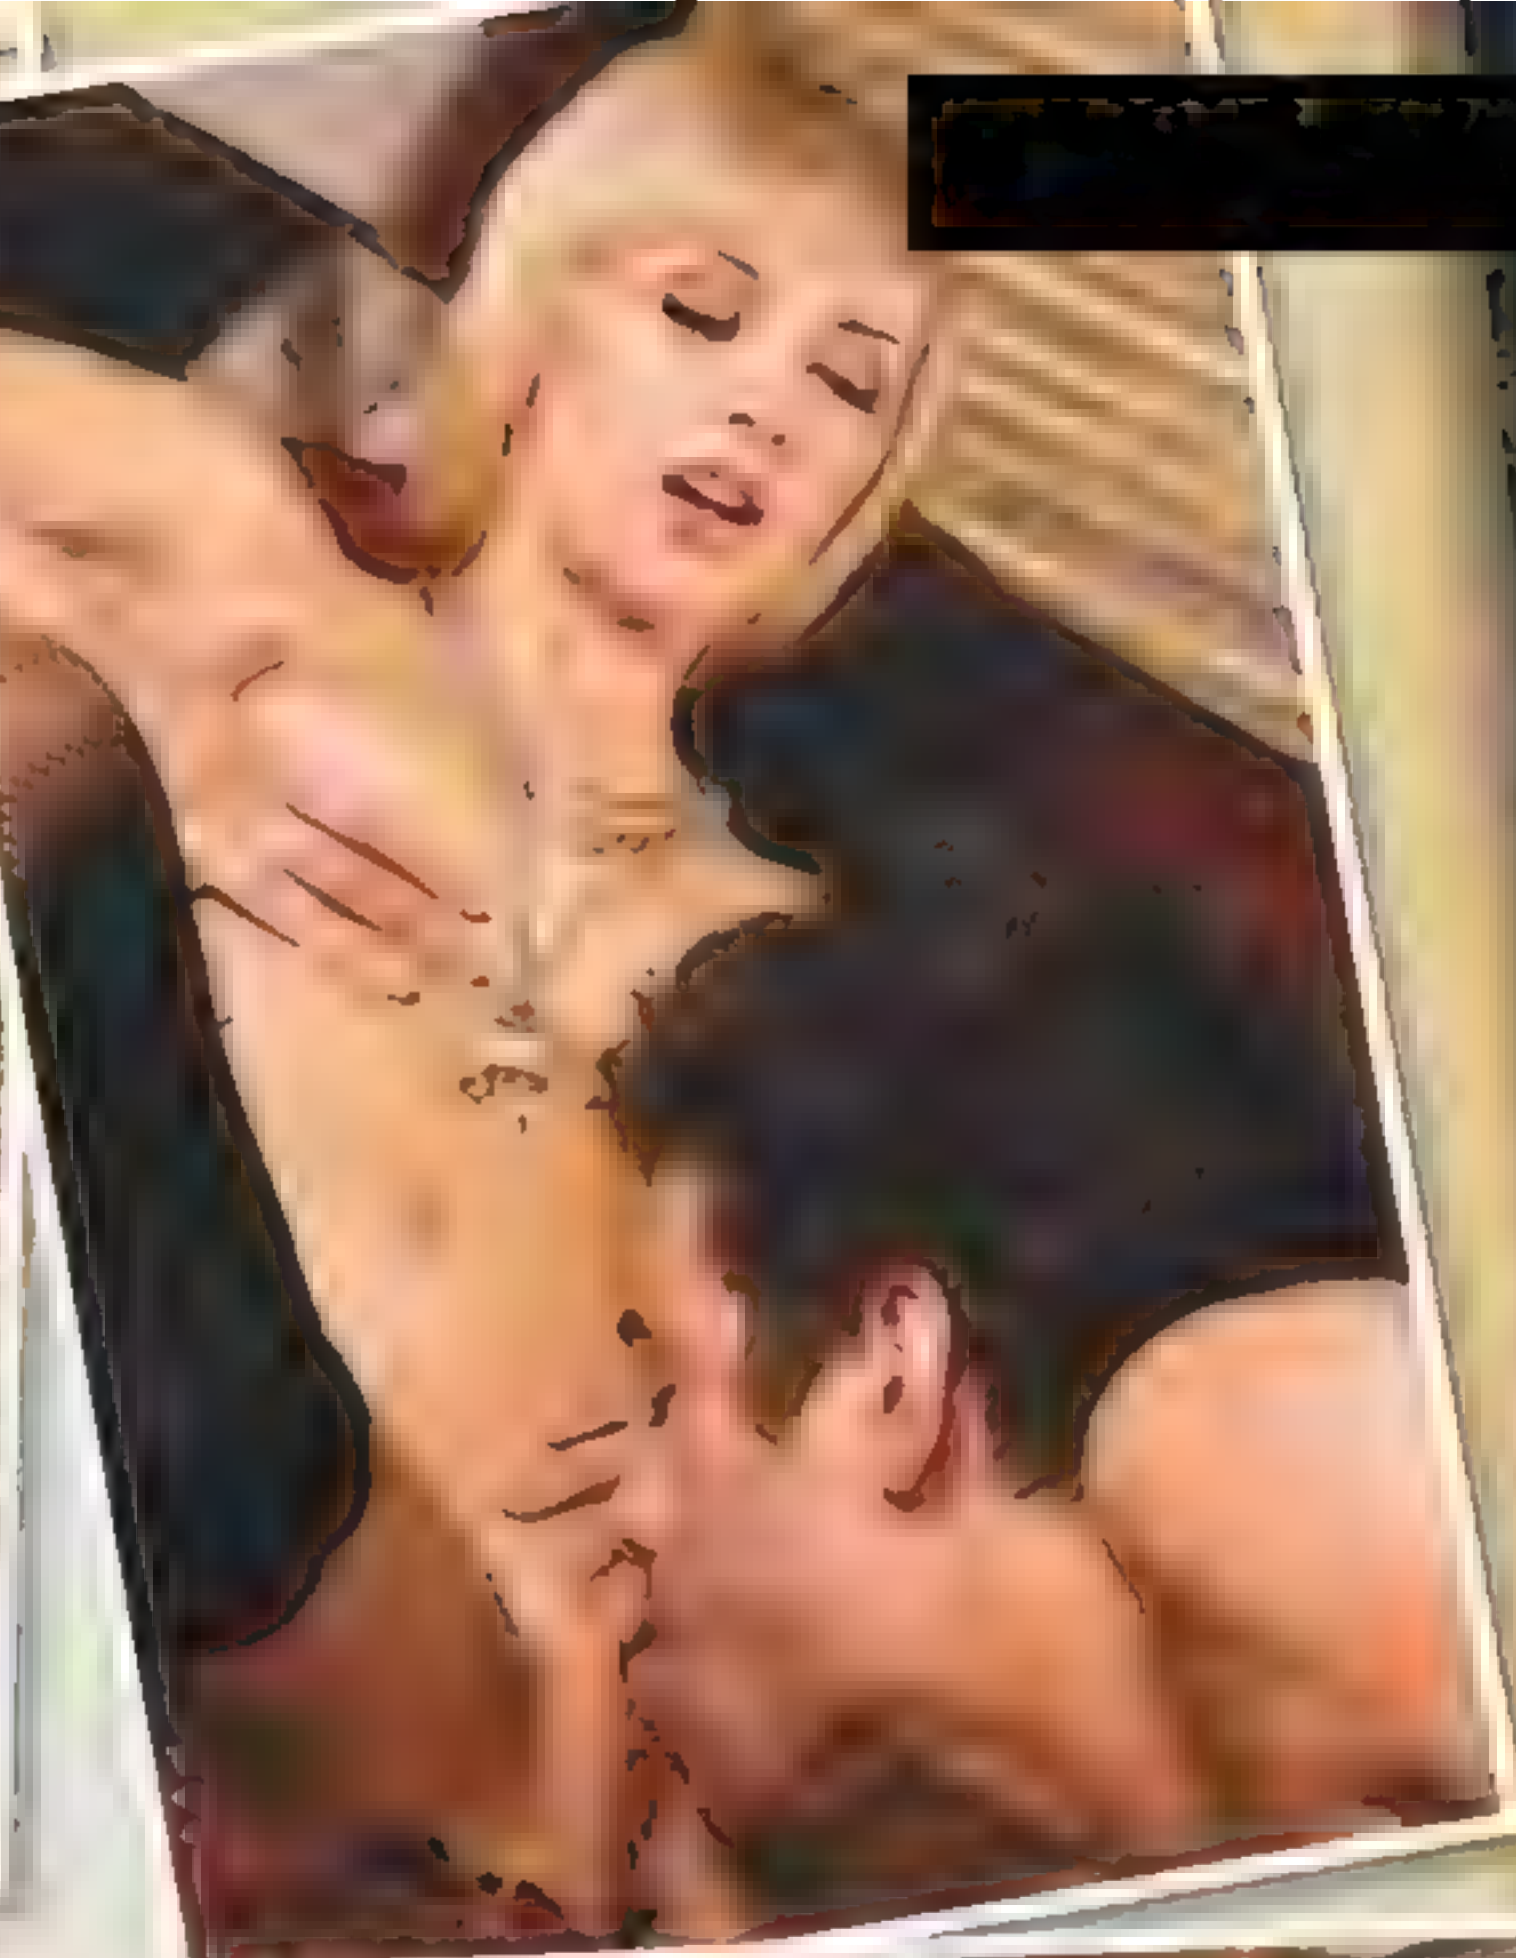

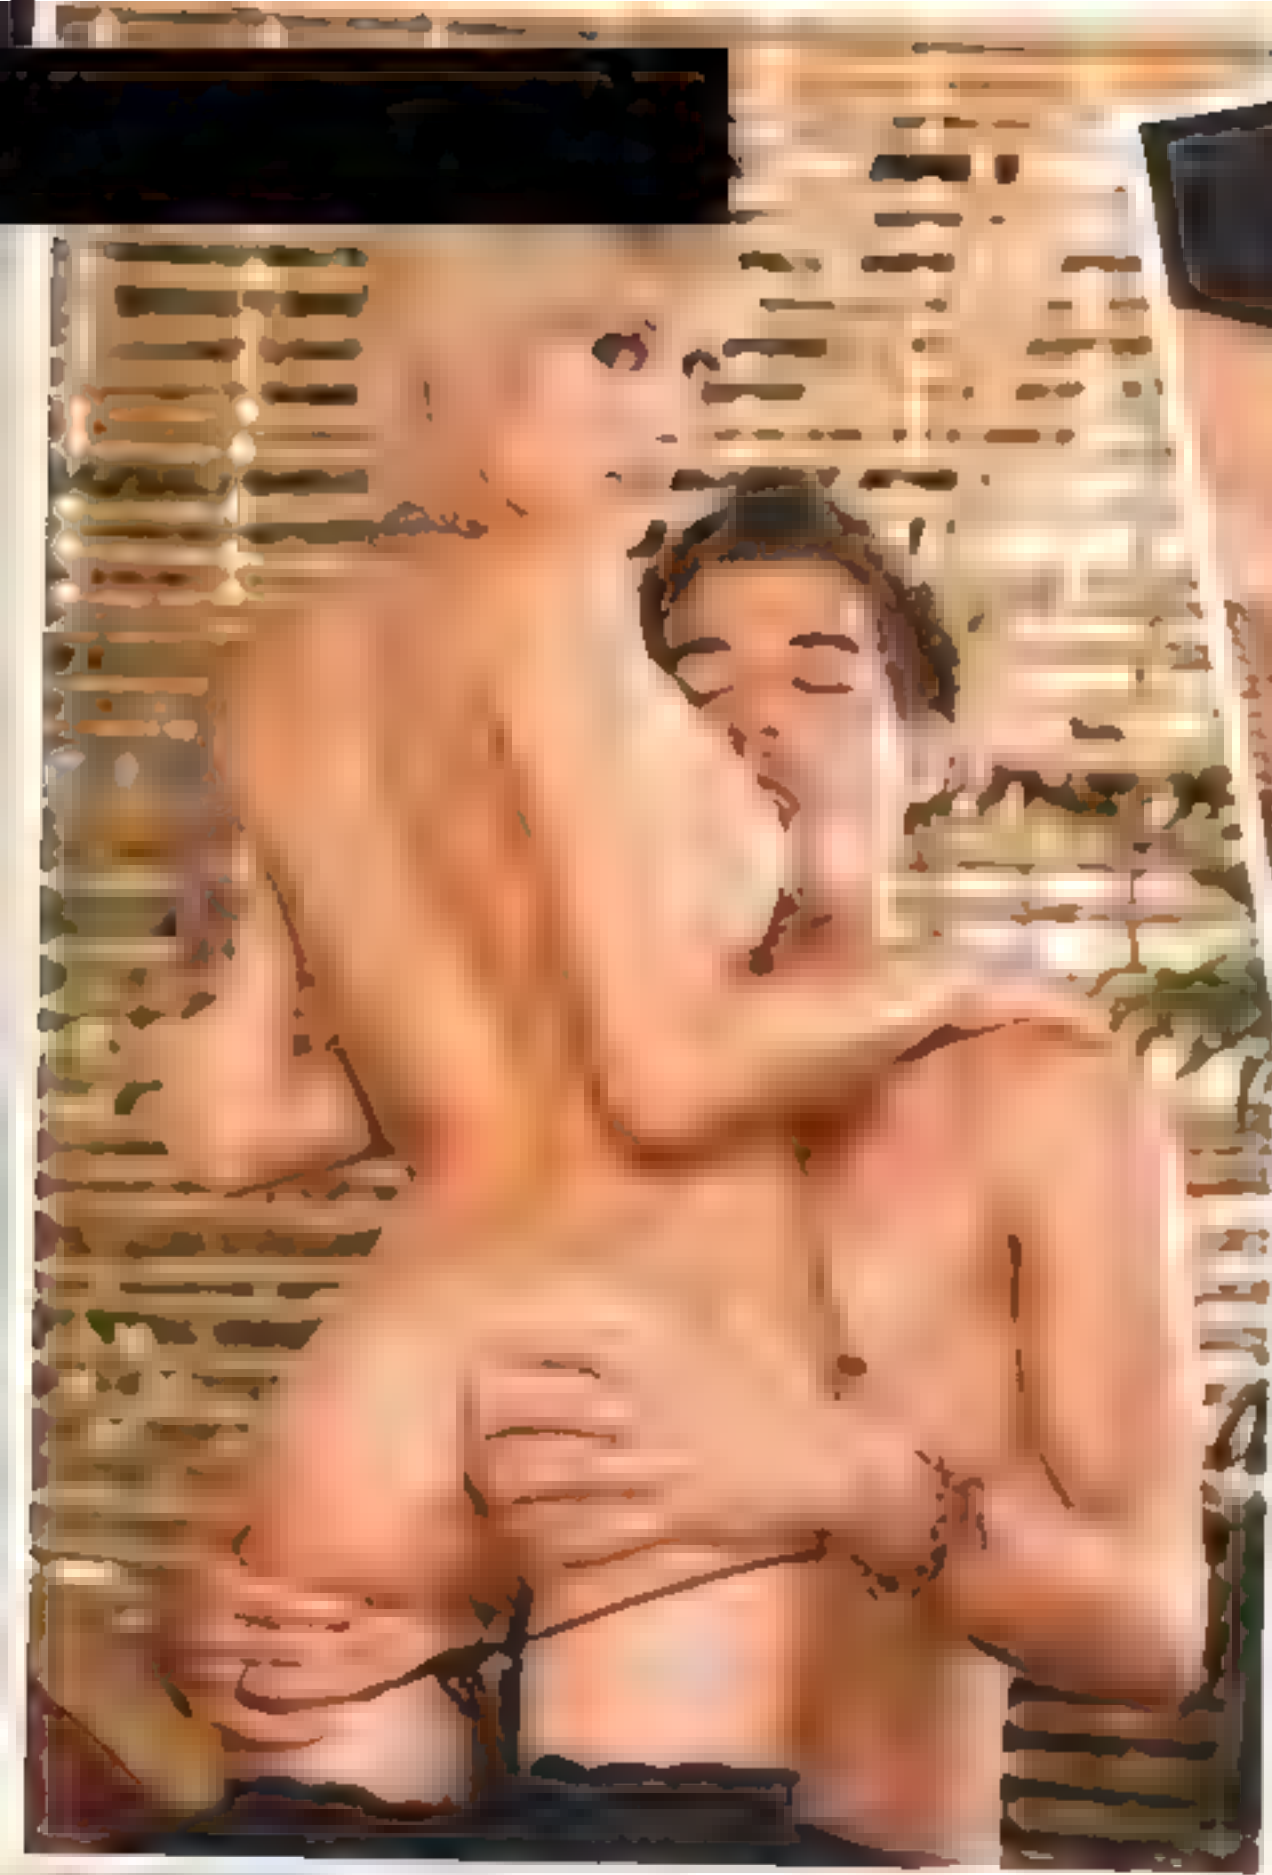

"Taste Me

And Awaken!"

Things had been rough for me lately and
that humid night in mid summer, I couldn't
sleep I went down to the street for a smoke
and then started walking without knowing
where I was going I had so many things to
figure out, like how to find a new job in this
tough, unforgiving, recession wracked city
Walking helped clear my head.

It almost seemed like serendipity that I
walked far west, toward the river, and came
upon the little storefront that said SOUL COM-
FORT in orange and green neon letters I'm not
an especially spiritual guy, but there was a good
aroma of coffee coming from the slightly open
door that invited me inside I saw the java urn on
a small table right inside the doorway In the
warm light of old fashioned lamps were about
twenty people of varying ages and ethnicities sit
on metal chairs in front of a small platform, on
which stood an elderly but bright eyed man who
was lecturing on why people should not lose hope
I'm living proof pilgrims, that you can weather the
storms of fate and come through with a glossy grin on
your face and pleasure in the new morning's sunshine.

I have not aligned myself with any faith or creed save for the belief that this Universe capital U, will not abandon us and will set us on the Right Course, capital R and capital C, for all our lives. Drink your coffee, say hello to the pilgrim at your side, and take heart in the healing elixir of new friendships in the hot dark night! And remember that you can always come here to me, Daniel DeBrukiss, for Soul Comfort when you need it most! Maisie Rae, will you now pass the hat?"

Maisie Rae was a sweet looking girl who couldn't have been long out of high school, which made her about half my age. As she moved around the gathering, our eyes locked across the room, mostly because I was standing in the back drinking my coffee and looking at her as if her pretty self was the only possible answer to any problem I might have. Well, I told you I'm not a very spiritual guy.

When she came up to me, I put a dollar in the hat and she smiled. "You're the one, pilgrim," she said. Her voice was so soft I wanted to pet it. "Mr DeBrukiss tells me to pick out one person each night for special guidance, and you're the one."

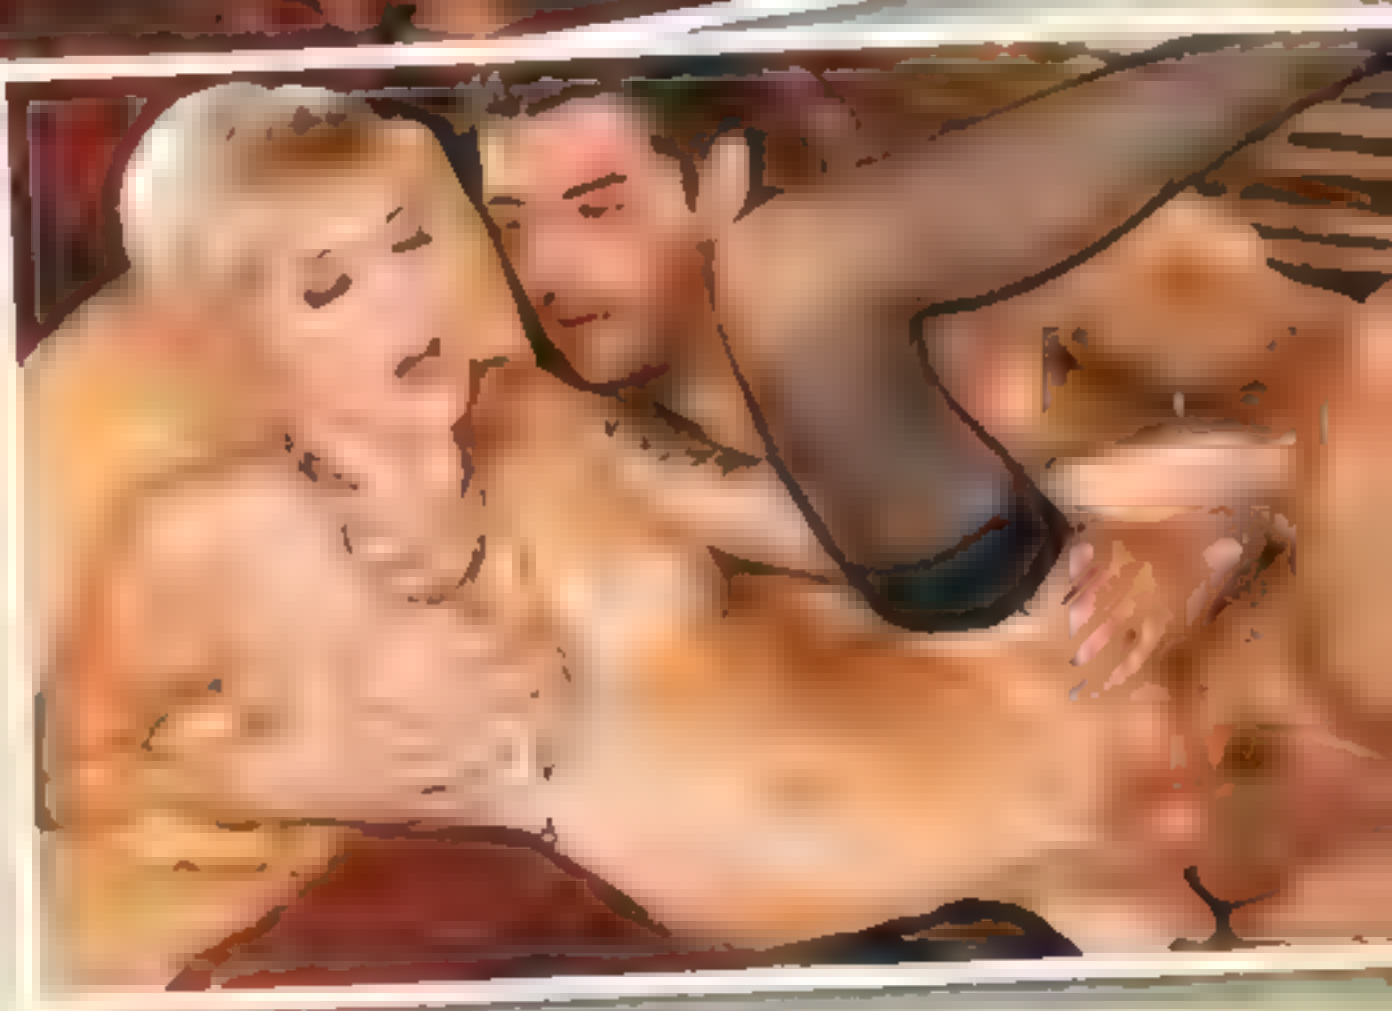

"Who is he?"

"A man who's survived the horrors of life and helps others do the same. That's why he's named Daniel. I'm his friend, and now yours."

"How do you know I'm not some kind of..."

"Some kind of what? I'm not afraid of you, pilgrim. We're both protected by the Universe capital U, at its Best, capital B."

Losing my job was turning out not to be such a bad thing, if it led me to interesting chicks like Maisie Rae. Mr DeBrukiss was circulating throughout the room, talking to everyone else, but Maisie Rae took my hand and led me outside. Her fingers felt small, gentle, and warm. She was wearing a simple dress and I could tell she wasn't wearing a bra because her sweet apples bobbed against the

front. Her

bare legs ended in ballet flats, most girlish of shoes.

She took me through a doorway, next to the SOUL COMFORT storefront, that led upstairs to an apartment. Once she turned the lights on, I could see it was small but cozy. Then she led me into her room, even more cozy.

"I live with Mr DeBrukiss not in lust but in friendship. I saw his ad for an assistant in our hometown paper right after I finished high school, and have worked for him for two months here in the big city. I may go to college someday but for right now I'm helping him bring hope to people in our crazy world." She lay down, still in

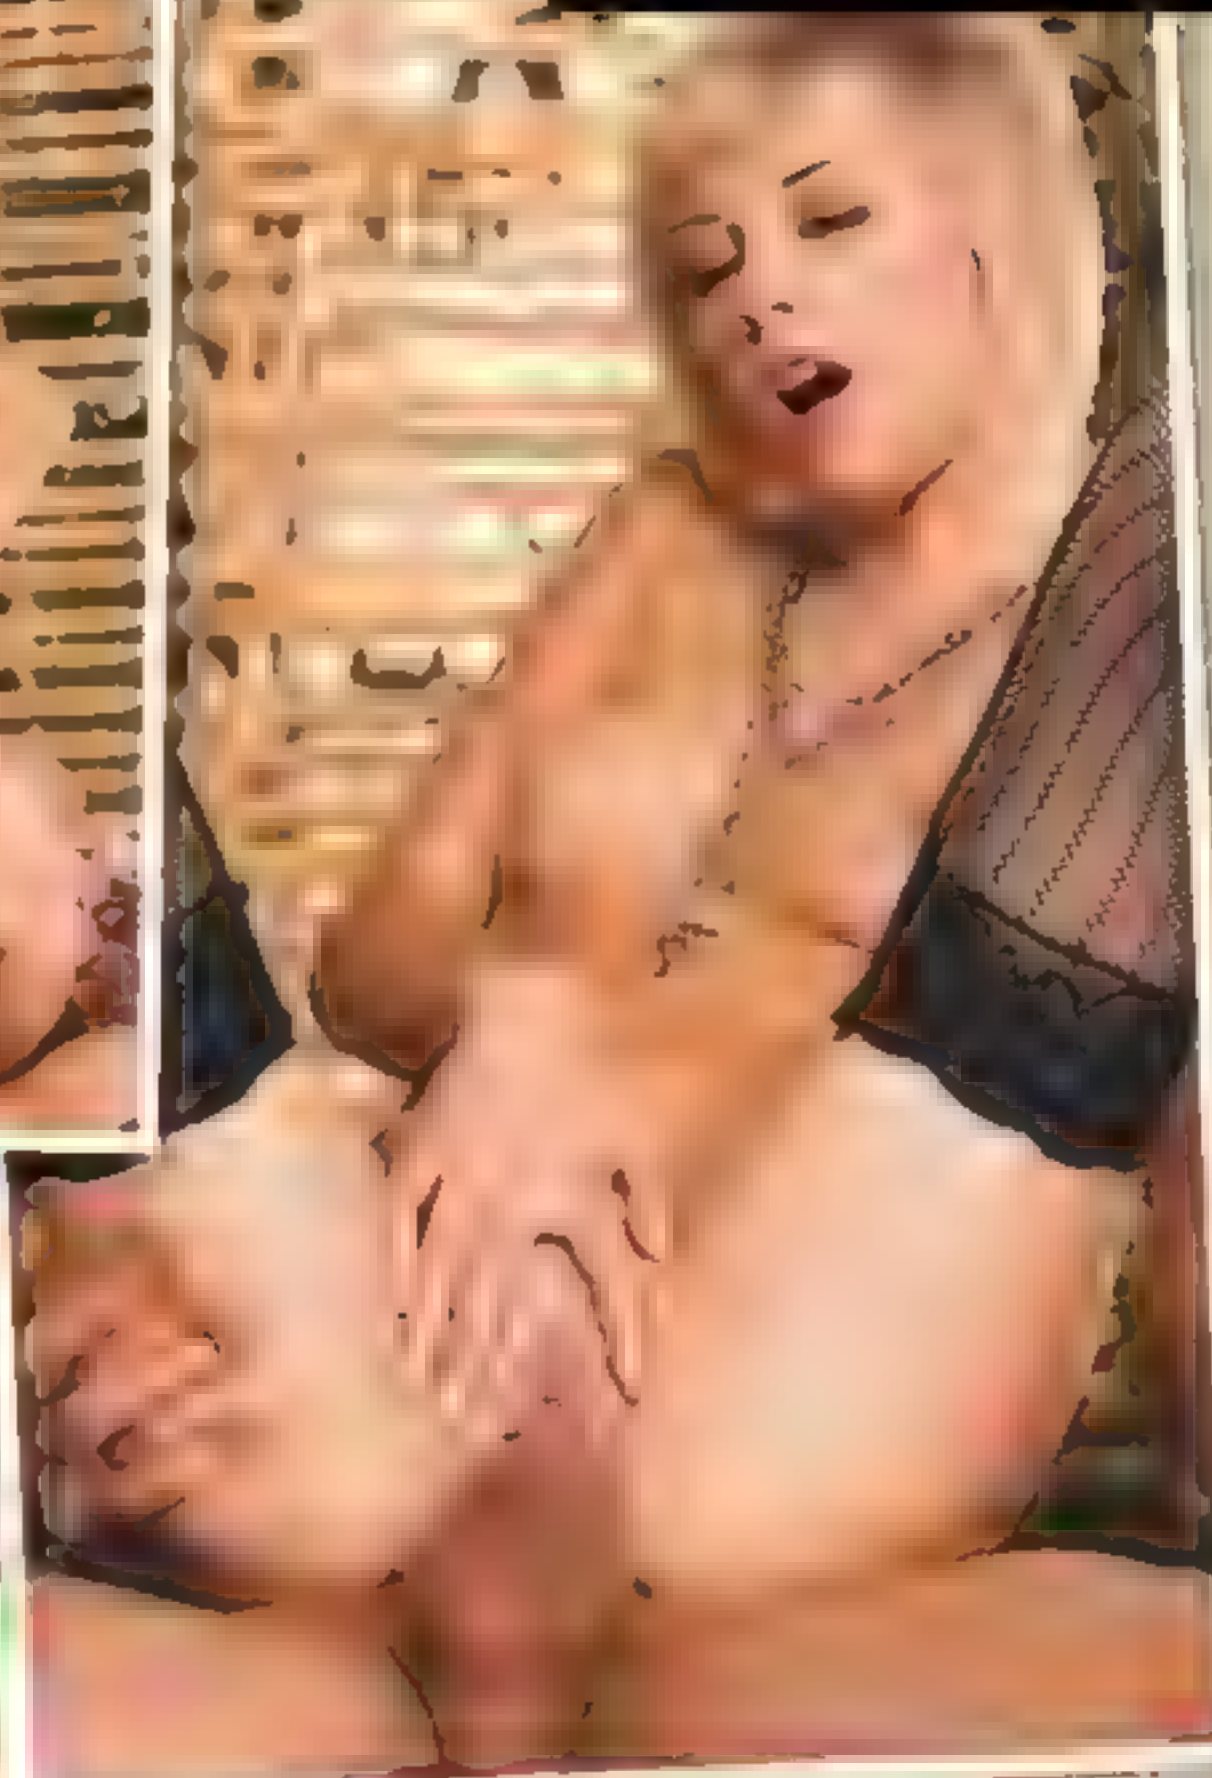

her clothes, on the bed. She slipped off the ballet flats and I saw the bareness of her smooth soles. She wiggled her toes. "You look like you need sleep."

"You don't even know my name," I said, amazed by all this.

"You can tell it to me if you like, pilgrim."

I smiled. The way she kept saying the word "pilgrim" reminded me of how John Wayne used it in one of his famous westerns, I forgot which. "I guess I am a pilgrim, but stumbling upon the shrine," I said, sitting down on the bed. The name's Mike, though."

"Mike the Pilgrim," she smiled, running her hand over my face, and pulling me down for a kiss.

Her body was all squirmy and eager under the dress, nipples stiff and mound moist under the panties I could feel through the fabric, but all we did was kiss and hug in the amber light of the bedside lamp until we fell asleep, still clothed.

* * *

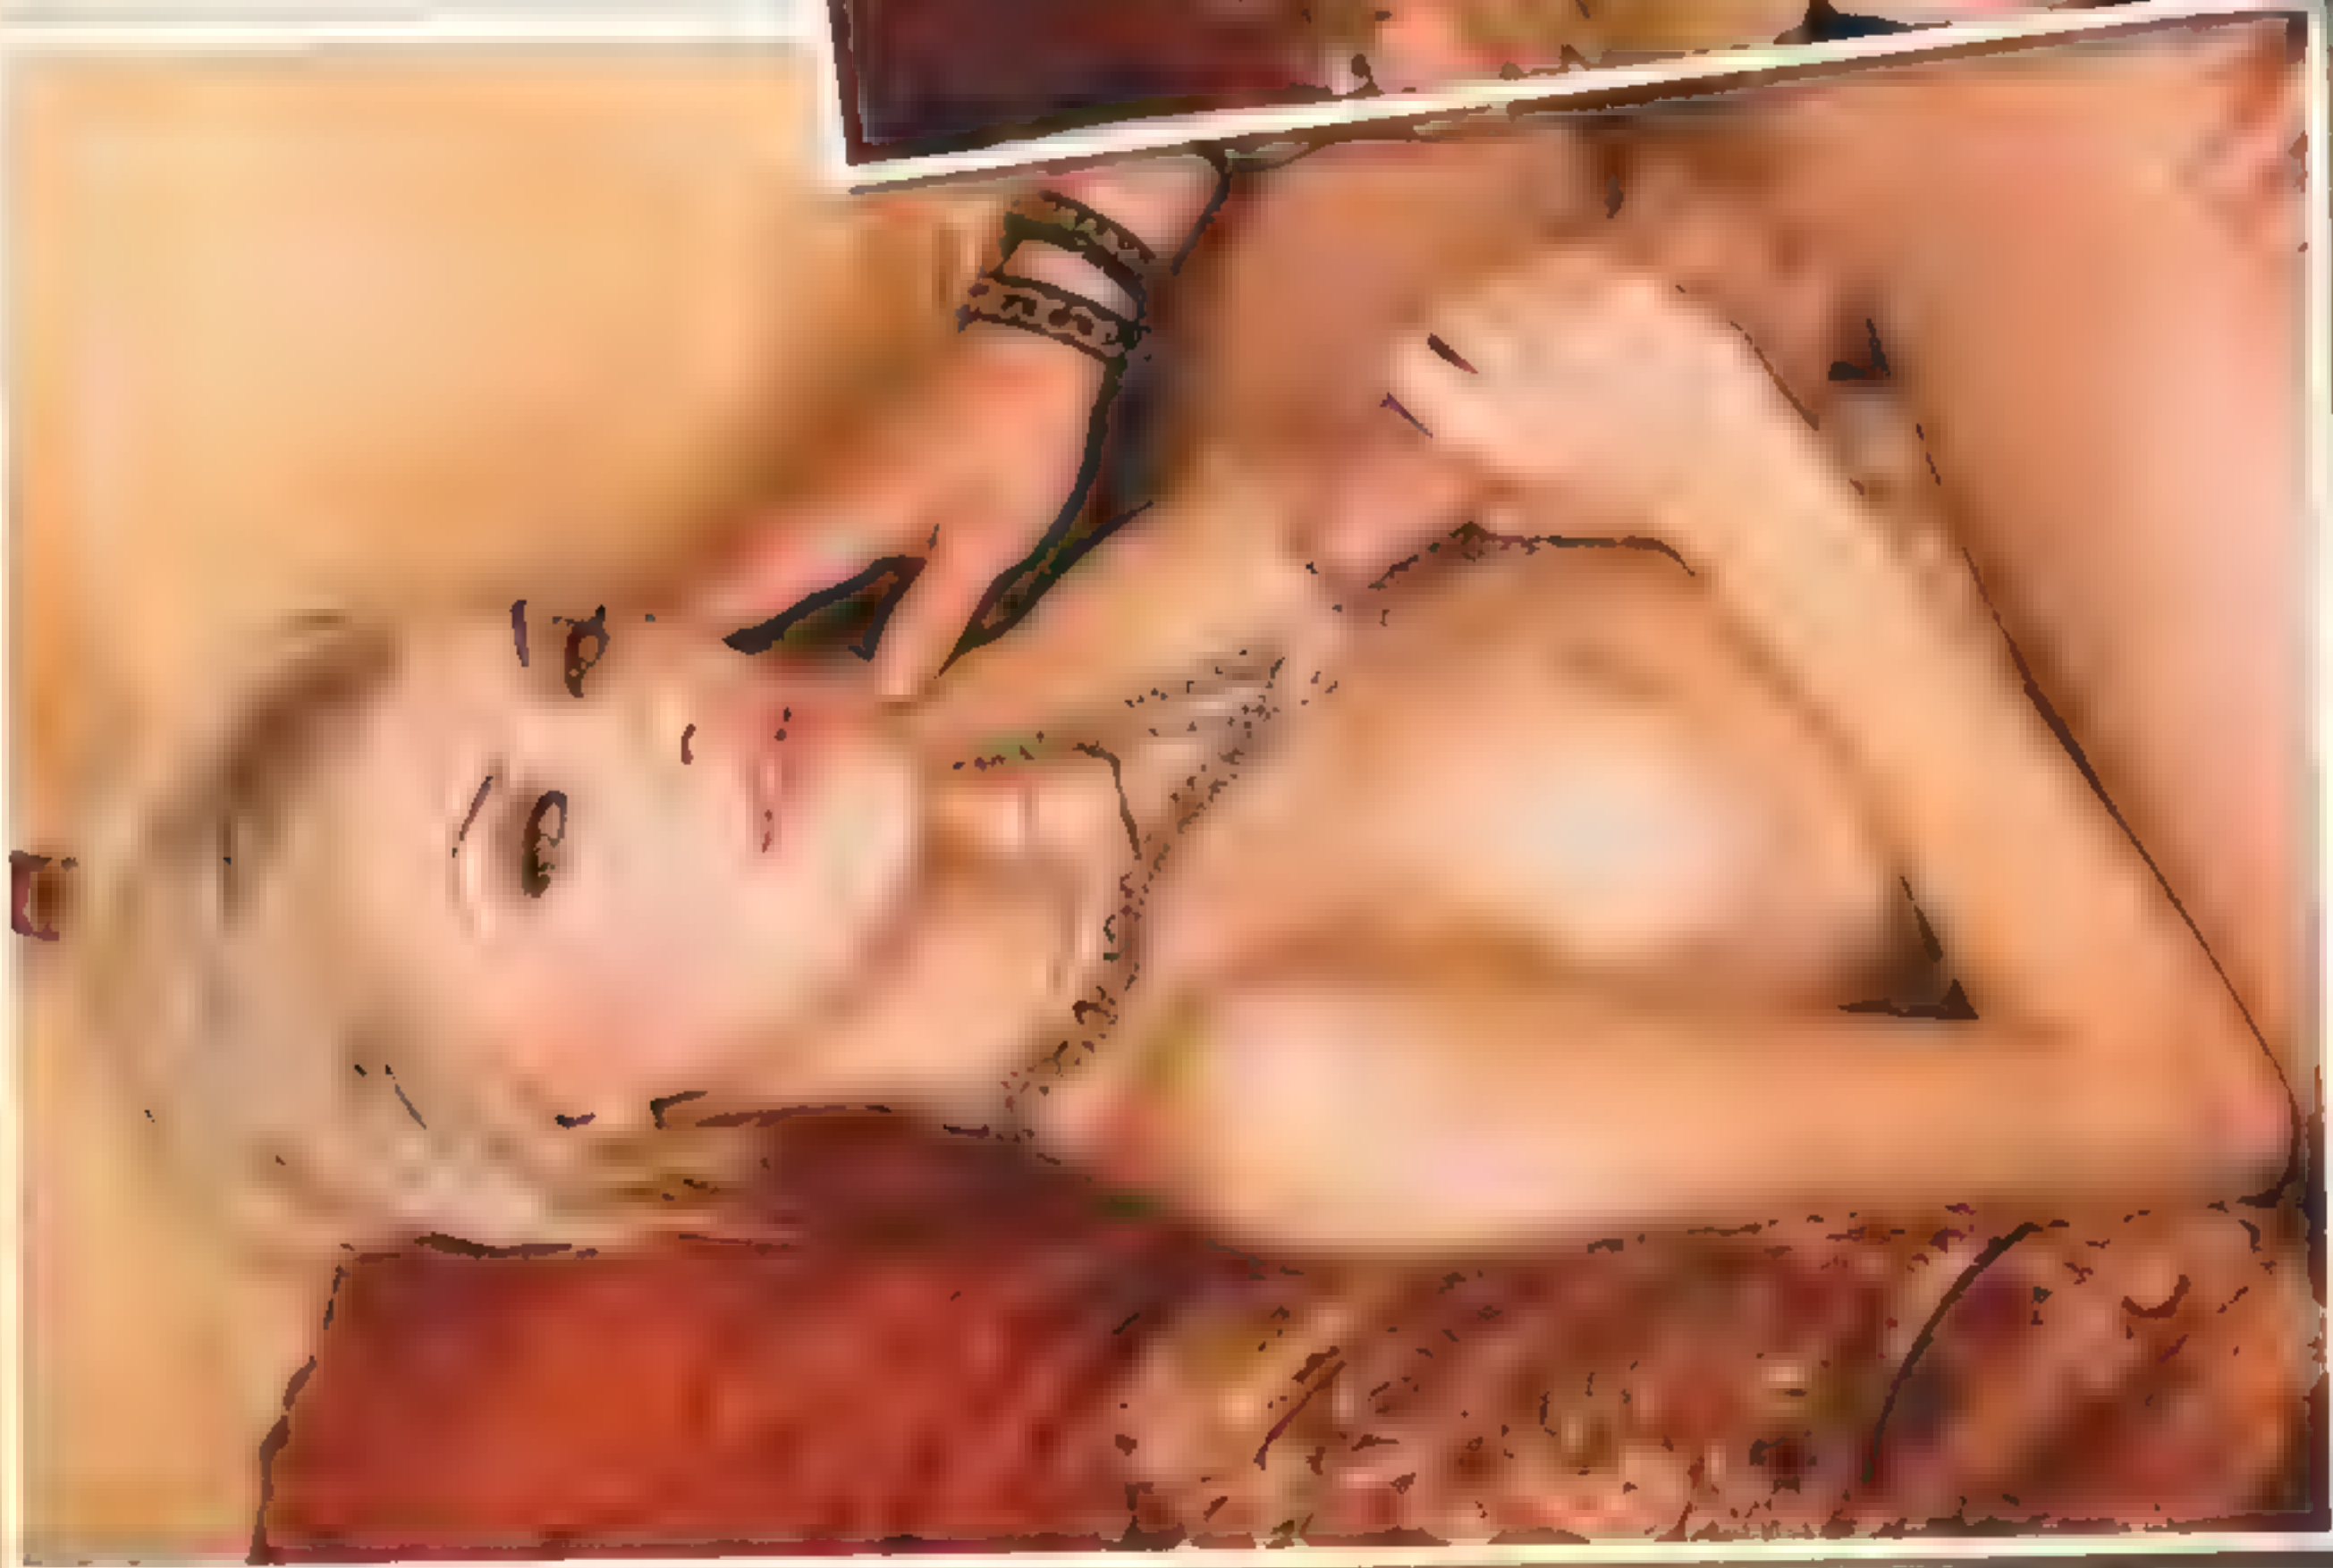

I woke up when the light came in through a slit where the shade didn't quite meet the window, and there was Maisie Rae standing naked in front of me. My mouth immediately started to water. I tell you, all this weird but sexy stuff could turn any guy spiritual.

"Sometimes words are not enough for some souls to find comfort," she said, with that soothing but girlish voice, "yee, sometimes other things are required. That's what Mr. DeBrukiss has taught me. We are all pilgrims and we all find hope in our different ways. I found hope myself through my body. I needed to believe in the truth of its needs. Believe me, when I denied that truth I was an unhappy girl!" She ran her hands over her breasts and tummy and throat and face and hair, and then with a smile slid her hand down to her smooth mound and let a finger sink deep into the slit. I could hear the squish. She sighed deeply and then took out her finger and held it to my lips. "You need this for breakfast for your night to truly end. The sun is shining but your soul is still..."

No sooner said than done! I sucked her finger all the way into my mouth and then I reached up and took her by the waist and she moved over me like butter sliding across a hot pan. We were meant to be together, at least at this point when the Universe was clearly at its Best. I felt her round butt under my fingers as we kissed, her tongue tight against mine. I was still dressed, of course, since I'd fallen asleep in my clothes, but that situation was quickly remedied. Then she was stroking my cock as I marveled at her tities and sucked them hungrily. She moaned and told me to keep doing that until finally she couldn't concentrate

on anything but the idea of me inside her. "But let me get ready first, pilgrim," she said, telling me to stand up while she lay on the bed and gave me a masturbation show that must have been awfully spiritual and way above me, because for the life of me I couldn't understand what was spiritual about it. It just looked fleshy to me but maybe that was the whole point: maybe it was beyond flesh but I just couldn't see it. I needed more education, and I was ready to say "Thank you, ma'am" to Miss Maisie Rae if she would just lead the way to my enlightenment. The dear sweet eighteen-year-old just lay there and played with herself and rubbed her boobies and worked herself into such a total state I was going crazy

watching her but damned if she wasn't correct. Not only did I feel utter and complete horniness, but also weird tingling hope because if such a fucking bizarre thing could happen to me, it was indeed possible that my fortunes would turn around and I would find a new job and get through this damn unending recession. And at that point Maisie Rae held out her hand and pulled me into her and I fucked her like a demon. No, correct that. Fucked her like a pilgrim! A happy pilgrim was I. ☐

88 JUST BOUTEN

Release: Storabags & Farabag

I'm a pretty simple girl. I don't find much use for fancy things. I like home-cooked meals, fresh air and clean living, and when I feel frisky I handle it myself. I have a fingers-only policy when it comes to my cooter and, as far as that goes, only MY fingers. Why would I want to go shovin' any unfamiliar foreign objects up there? Especially the ones attached to the front of boys... Yup, you read that right. I'm still a virgin. And I'm mighty proud of it! And I will stay this way until I meet my true love. But until then my bean needs a good flicking like any other girl's. I like to suck on my finger for a bit first to get the tip nice and wet and then I draw little circles 'round my nub till I can't take it anymore and sink my fingers inside.

Katey, Ally & Bella

My friends Ally, Bella and I like to have slumber parties where we stay in each other's rooms and tell each other all our very secrets. When I was 10, I was teased by them that I had never been hugged by the boy before. Well, they decided that it was their duty to de-virginate my daughter. So we took off all our clothes and made out for a while and messed around with it. I did the regular way but never got me to relax. But a little while later I was still nervous so Bella told Ally and me to stick her in the asshole first so she could show me that there's nothing in it. As soon as I saw her take that with the toy in her hand, I was a champ. I wanted my friends then two of them really took my little rose bud's flower. When Ally kissed it afterwards I went 'Hard!' Then she wanted her stretched too so Bella and I obliged. And by the end of the night all our virginities were totally shot! 🍆

...the first semester to get it out of the way. Obviously Jacob, a junior, had put it off. Well, I thought sarcastically, it's so very relevant to the world we're going to be living in when we graduate.

He smiled. No girl was immune to that smile, and I knew I took a chance coming here. "Close the damn belly,

"All right, Strunkell," I said. "what's with you and Amber?"

He smiled. No girl was immune to that smile, and I knew I took a chance coming here. "Close the damn belly,

"You'll show up one night, crusading." He laughed. "Crusading for my cock, huh?"

"You bastard."

"Then fight me."

I wasn't about to do that. I reached up and kissed him hard on the mouth. I could feel his prick upright inside the front of his shorts. Oh I hated myself, but I couldn't think more than for seconds into the future. When you're eighteen, I guess you sometimes make decisions that way—like your future is only five minutes long.

"What am I going to tell Amber?"

"Keep it simple and we'll figure something out," Jacob said, lifting me

up to carry me over the bed. He put me down, then me. We kissed for a long time. Our hands went all over our bodies through our clothes. Then suddenly our clothes were gone. I mean, we took them off, but I hardly remembered doing it.

I got on my knees and sucked his cock. I could see why Amber was frustrated. This thing was beautiful, hard and veiny and hot as it filled my hands. I rolled it between my palms, cupped my fingers under the balls, and took the shaft in my mouth. I put my head at an angle and showed Jacob how well I could do it. I took a

deep breath and held it. I could feel his hands on my hips, his fingers digging into my skin. I could feel his breath on my neck, his lips on my ear. I could feel his cock in my mouth, his balls in my hands. I could feel his body all over mine. I could feel his love all over me.

"I'm a bad person."

"Don't have done this to Amber."

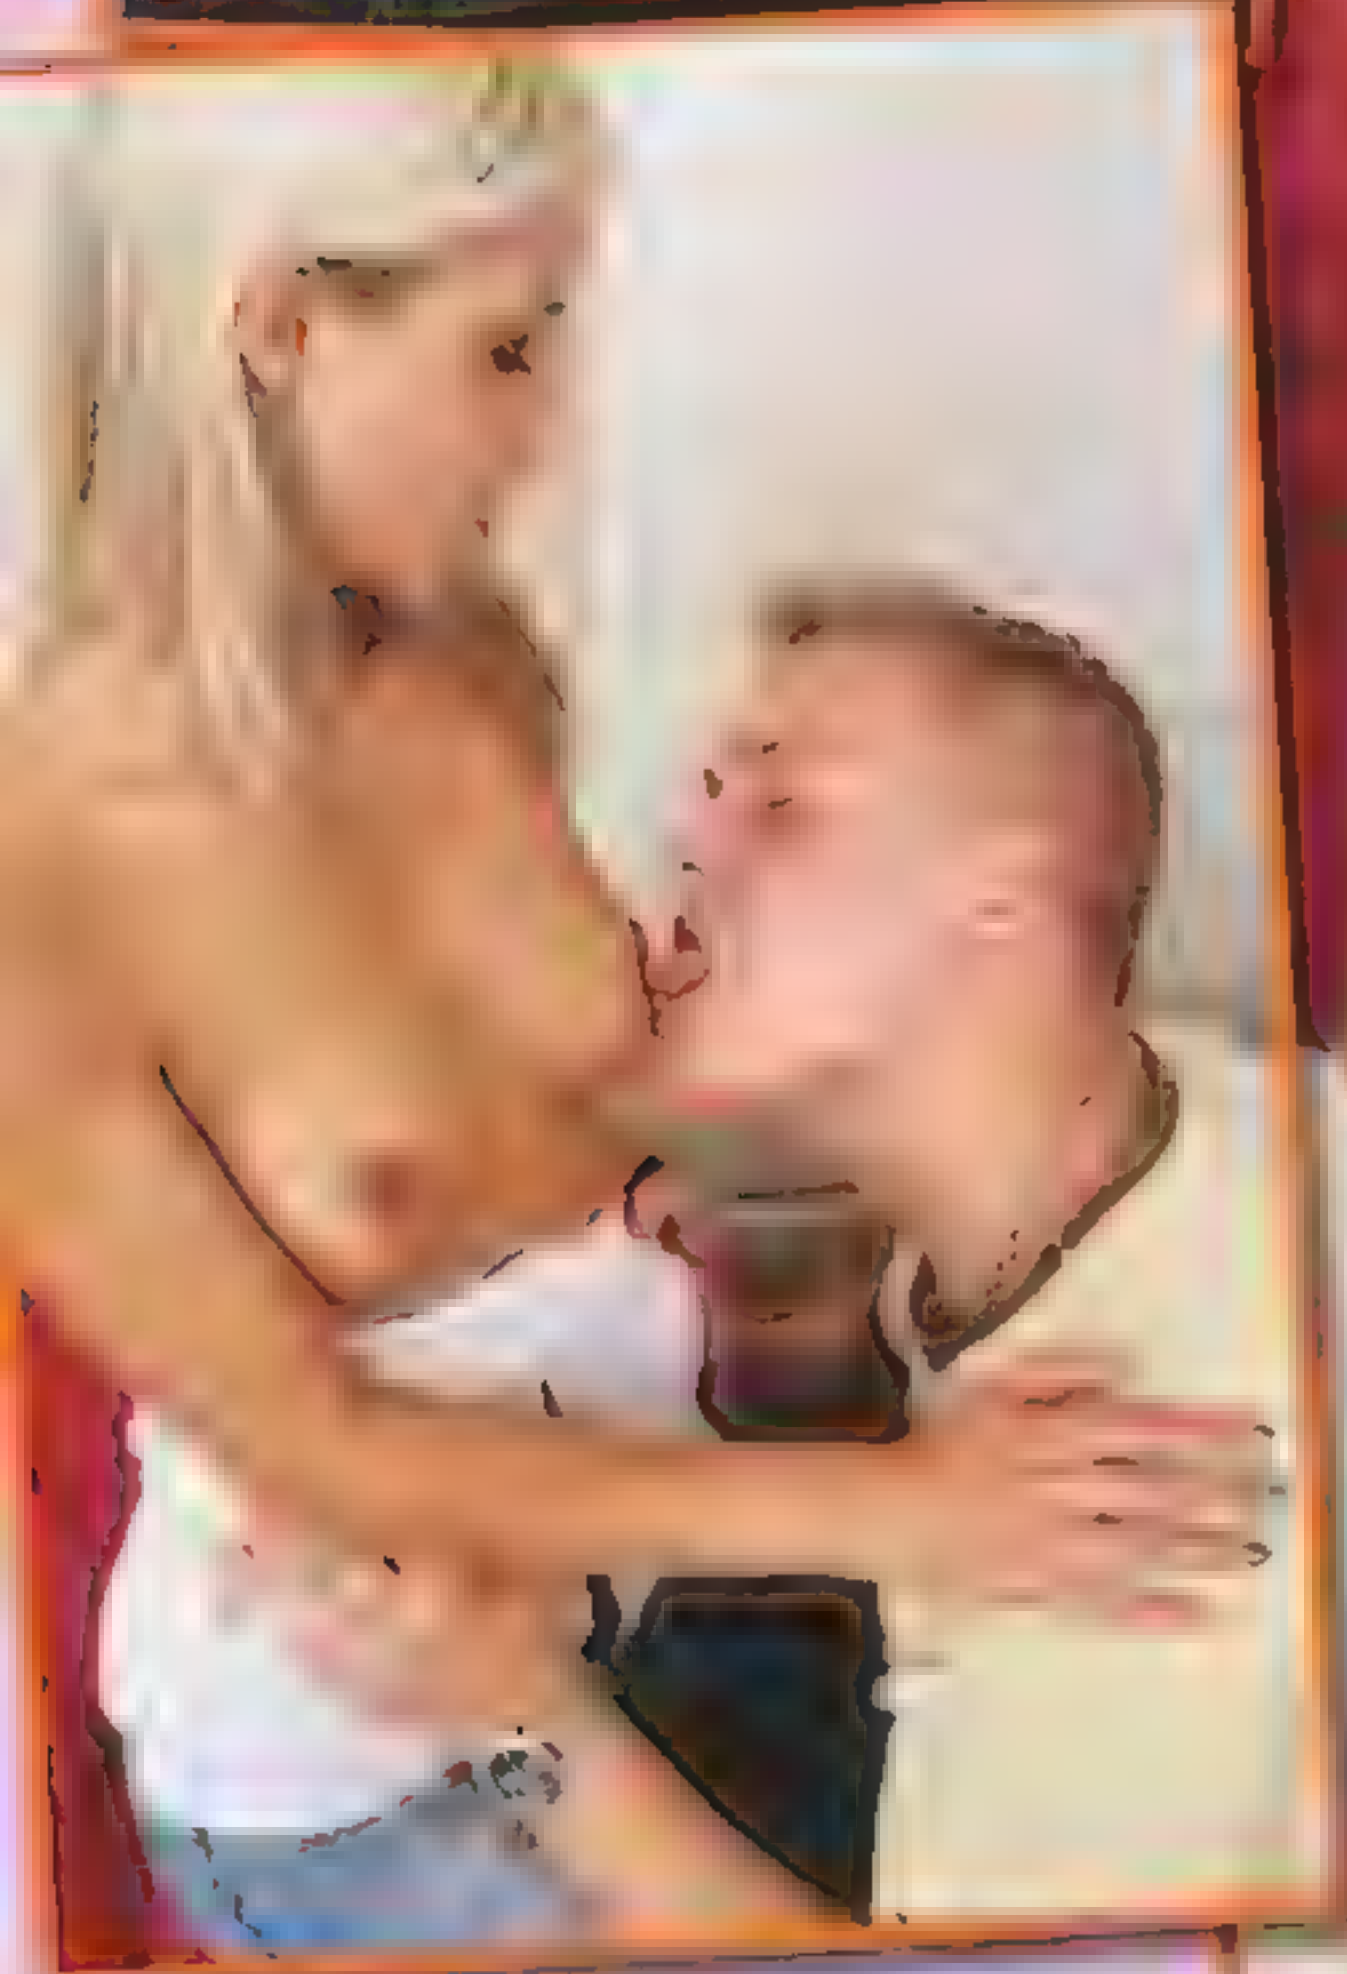

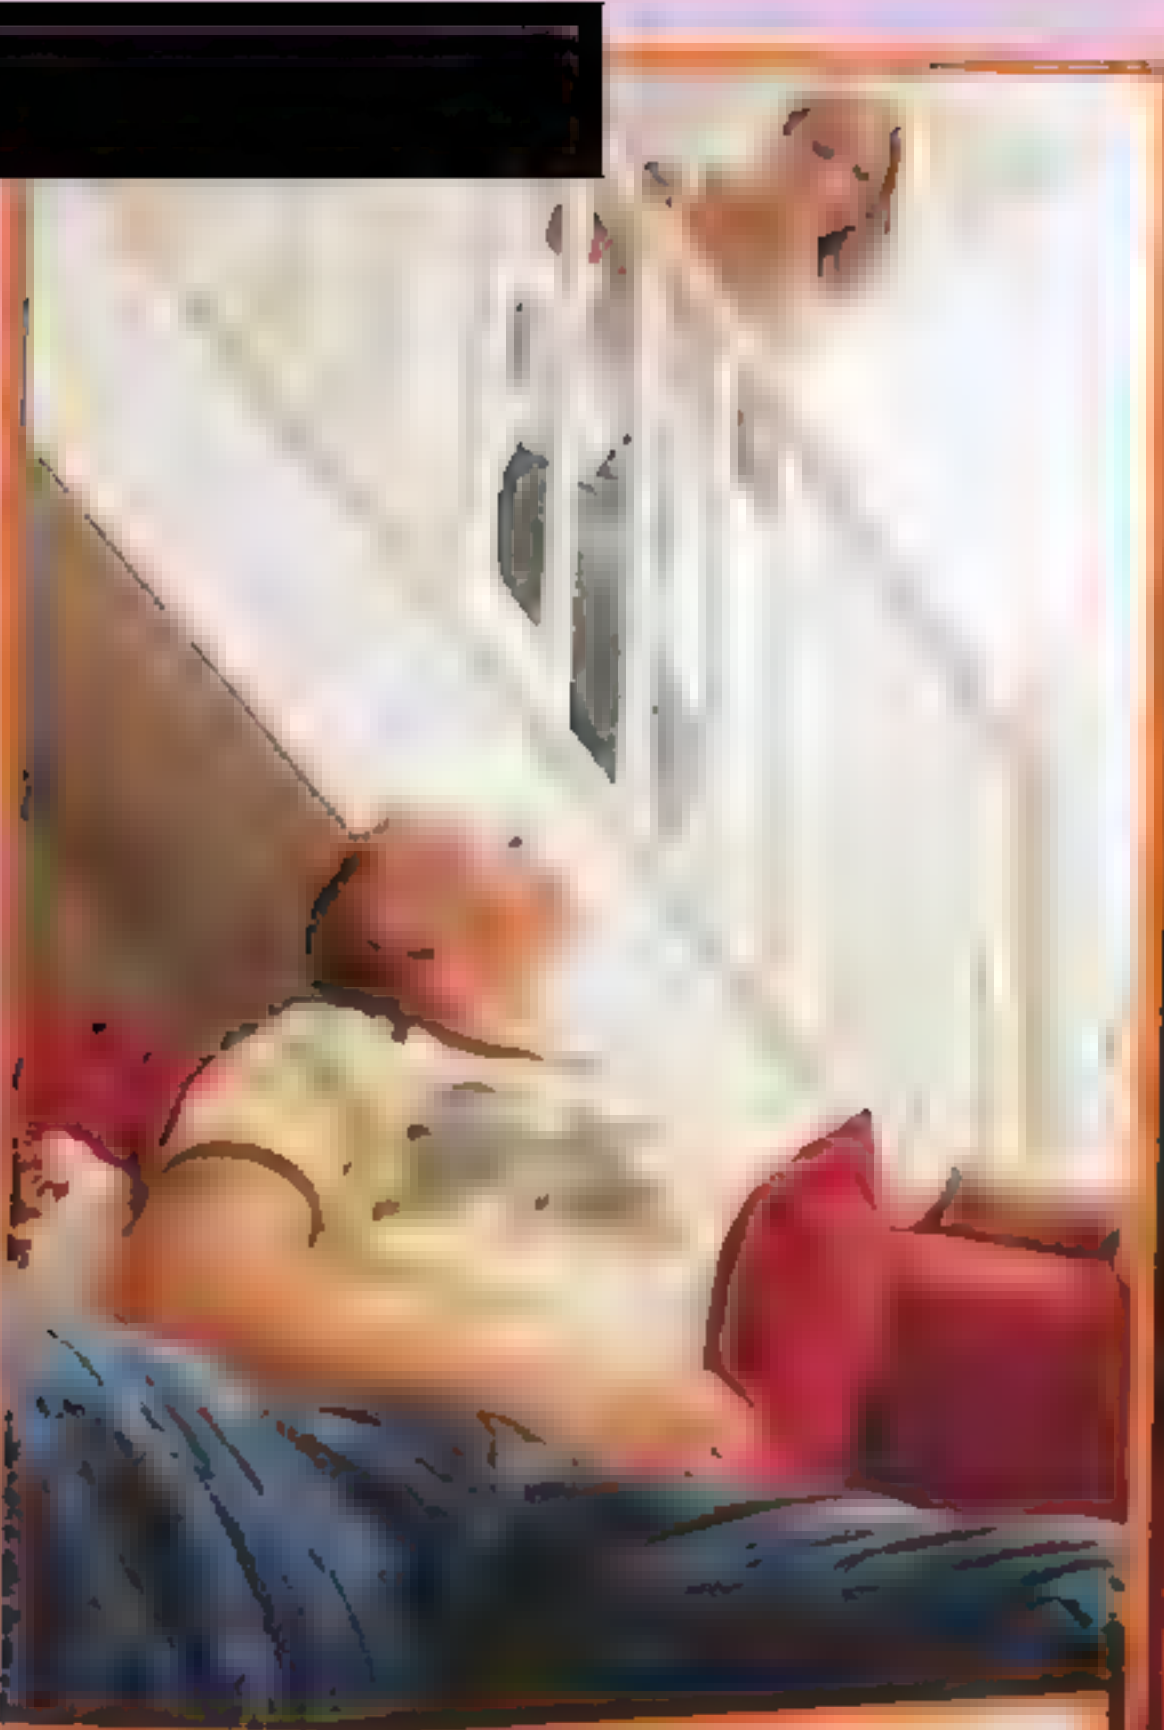

"Don't worry about it. She'll be fine."

"What will I tell her?"

"Say it was like something out of a fairy tale. The earth moved for us, we couldn't help it."

"Ah, so the damn course was relevant."

Sammy & Jason

I love it when my older brother is home from college for the weekend because it means that all of his super hot friends will be at to our house. I especially love it when his hunky pal Jason visits. Ever since I turned eighteen he's taken an interest in me, and the last time I saw him we totally hooked up. He stopped by one afternoon looking for my brother but nobody was home except me. We started flirting and one thing led to another and we totally ended up doing it right on the living room couch! I gave him a BJ and he munched my box, we did 69 and then he fucked me from every angle imaginable. I came so many times I thought my pussy was gonna explode! Then he shot his wad in my mouth and I ate up every last drop. I can't wait till he cums—oops I mean comes—again! ☺

To Ad In BULLET

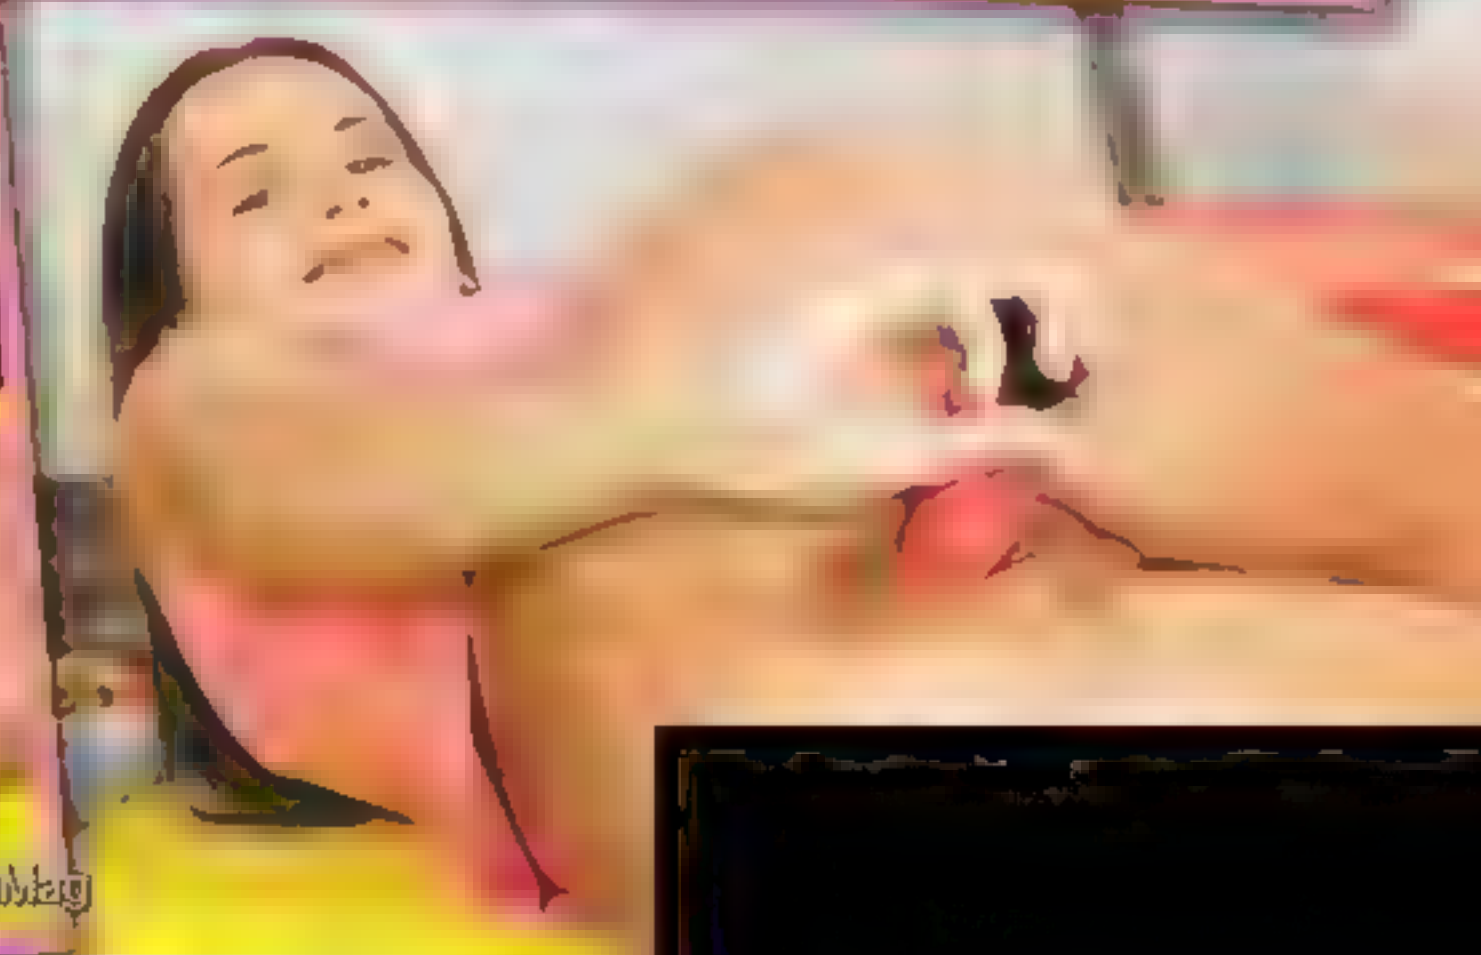

Shirley Johnson, Box 111, Los Angeles, CA 90001

My boyfriend tries to drag me camping out by the lake all the time. According to him, nothing compares to getting it on in the great outdoors. Thing is, I don't really like camping much.

So when we do go we tend to fight all the time. Which means he wanders around the woods while I pout alone in the tent. At least he thinks I'm pouting! I learned long ago to always pack a dildo with the rest of my gear so that I have something to do when we get into a tiff—myself! So after we squabble and he storms off, instead of feeling upset I start feeling myself up. Touching my titties always makes me horny. Then I open my legs real wide and plunge that plastic prick in balls deep. I cum so loud I scare away all the critters nearby! Which makes me feel both safe and satisfied. ☺
